Re: File Closure for Cecil Muir's, Boston #1, S/001/008, Beaver County, Utah

Dear Mr. Tait:

Thank you for forwarding your letter regarding file closure of Cecil Muir's Boston #1 claim. Our records indicate this project was amended to the VKGK Gold Mine. We will close the Boston #1 portion of the project only. The file S/001/008 will remain open and active. Just recently we requested updated maps from Mr. Muir for the VKGK project.

We show the BLM's file number for the VKGK project as UTU-71720. If this is incorrect, please notify us. Thank you for keeping us updated.

Sincerely,

Tom Munson
Reclamation Hydrologist
